

Central Beach Alliance Membership Meeting Minutes Wednesday, September 30th, 2015 – Atlantic Hotel

Present: John Weaver, Karen Turner, Monti Lawani, Abby Laughlin, Steve Milkewicz

Call meeting to Order: 7:02PM

Presentation: Diana Alacorn, Transportation and Mobility. Diana talked about the Arts Grant that the North Beach Village has received called Connect The Blocks. This is the same program that was executed downtown on Andres Avenue. She showed illustrations and drawings of what the project would look like. The event will take place on Breakers Avenue next summer. There will be a city wide sign up for volunteers.

A/C Marriott Update: A final presentation was shown to the membership by the AC Marriott team. No vote on this project, just the architectural enhancements were presented. Will be going to the City Commission next week, October 6th.

Azure – Peter Strongberg presented the architectural updates to the Azure project. Will now be named Adagio by the Bay. Project will have to go before city commission again because of pool on the roof and enlarged bedrooms – same footplate and setbacks for the building. Upper Balconies will protrude slightly from before. No vote, just courtesy presentation.

Adjourn: 8:45 PM
