Historical Society presentation – Patricia Zeiler

Bahia Mar beach enhancement

Suggestions were taken from the members concerning the enhancements desired by the membership as the 2<sup>nd</sup> part of the approval of the Bahia Mar project.

Some area residents were unhappy with the project and a motion was made to call a special meeting for the developer to present the project again for the purpose of re-voting. This motion failed by a 75-59 vote.

Meeting adjourned at 9:00
